17. _____
18. _____
19. _____
20. _____

Each Spelling Word has one long vowel sound. Look at the words to see how the long vowel sounds are spelled.

Say the Spelling Words to yourself, and sort them into four groups according to their vowel sounds.

kite

sea

lake

boat

A long vowel sound is usually spelled with two or more letters in combination. In most combinations, the first vowel letter stands for the long vowel sound.

Lesson 2: Long Vowels *(continued)*

SPELLING CLUES: Long Vowel Sounds When you write, think about the long vowel sounds in the words you are using. Be sure you have used the right combination of vowels to spell each long vowel sound.
